

# 'Heavenly Appraisals'

We are a training & development consulting company and we function in all domains of training, Behavioural, skills and personal effectiveness. These Audio Visual learning tools are an extension of our Training expertise.

## ABOUT THIS FILM:

The Film, Heavenly Appraisals, is a typical slice of life of a Corporate Manager. His challenge of managing effective performance appraisals, which is not just a presentation of facts & figures but is a presentation of his credibility, reputation & competence.

With the help a Corporate Trainer, and some important tips, with lots of 'learning' on Appraisal Structure, Types of Employees, Process of Feedback, and Constructive Criticism. Raj, our protagonist, emerges to become an effective Manager at work.

## WHY SHOULD YOU OWN THIS FILM?

This 28 minute wonder unfolds this corporate challenge and rolls out its easy to apply, solution in a story board format, which promises, learning value to most Corporate Managers and wonder value to a cynic!!!

The strong structure, the humour and the story makes it a Must have in every corporate library and as a H.R Professional, you will enjoy watching it too.

## IT'S APPLICATION:

This film can be used by a Trainer as a learning aid, multimedia tool. It can be used to summarize the learning's and demonstration of the 'How' of effective Performance Appraisal Management.

Wider and deeper usage can be found by H.R Managers, who can use this tool, to instil sensitization, capability and attitude to the critical process of 'Performance Appraisal.

## ABOUT THE CREATORS AND PRESENTERS...

Pramod Parkar & Alina Menon, both are recognized corporate trainers & Ability Catalysts to leading brands & its people in India.

This film is an 'Interactive Learning Tool' that inspires viewers to use structured techniques that will ensure their ability to 'Display the Right Leadership' across their corporate responsibility.
