

Power Presentations

THE STORY...

We are a training & development consulting company and we function in all domains of training, Behavioural, skills and personal effectiveness. These Audio Visual Learning tools are an extension of our Training capabilities.

ABOUT THIS FILM:

The Film, Power Presentation, is a typical slice of life of a Corporate Executive. His challenge of making presentations, which is not just a presentation of facts & figures but is a presentation of his credibility, reputation &

competence., and some common sense tips, with lots of 'learning' on Structure, objectivity, dynamics; Vishal, our protagonist, emerges to become a pro Presenter.

WHY SHOULD YOU OWN THIS FILM?

This 25 minute wonder unfolds the corporate challenge and rolls out its easy to apply, solution in a story board format, which promises, learning value to an eager learner and wonder value to a cynic!!!

It is a Must have in every corporate library and as a Corporate Executive, you will enjoy watching it too.

IT'S APPLICATION:

This film can be used by a Trainer as a learning aid, multimedia tool. It can be used to summarize the learning's & demonstration of the 'How' of good presentation technique.

Wider & deeper usage can be found by Business Managers, who can use this tool, independently. At the end of a Sales Planning meeting, at the beginning of a Strategy meet, at the end of a HR forum- it's a value add tool for all resources. Can be used as a Stand alone learning tool, or even as a individual learning video, as it comes with a kit, which provides guidance on usage, learning points to read & re visit post viewing & model presentations to add to the learning value.

ABOUT THE CREATORS AND PRESENTERS...

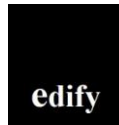

Pramod Parkar & Alina Menon both are recognized corporate trainers and Ability Catalysts to leading brands & its people in India.

This film is an 'Interactive Learning Tool' that inspires viewers to use simple techniques that will ensure their ability to 'Power Present' in corporate and social life.
